Miller told how club women of the
state propose to continue Red Cross
activities through the avenue of home
nursing classes. At the close of the
meeting the members of the club and
out-of-clubs were both to take up
Red Cross work which had become
such a worthwhile part of their
existence and accordingly the
idea was conceived that it should be
carried on through the medium of
the women's clubs.

Plan of Red Cross.

The work of training nurses in
home nursing has already been
done, and when the time comes
for the members of the clubs to
begin their work, the Red Cross
will be ready to help them.

Mrs. John D. Shryock of Tulsa,
a speaker at the meeting, announced
that the women of the Red
Cross have organized a committee
to help the women of the state in
the organization of home nursing
classes. Mrs. Shryock also spoke
of the importance of water sufficiency
and the lack of water storage
space in the homes of the people
of the state.

Tulsa has been given an
opportunity to do its part in
the promotion of water storage
space in the homes of the people
of the state.

The Chorus will be given by the
members of the Cadman Club,
and the piano recital will be given by
Arthur Nevin of Kansas University.
